Statement from Representative Paul Thissen Stands by Commitment to Honor DFL Endorsement Process

“As a life-long DFLer, I decided early on to abide by the delegates’ decision at the DFL State Convention in April 2010. I plan to keep my word. It’s important for our party to honor the process and I believe I am the candidate who can unify the party after the convention this spring. I stand by my decision to abide and look forward to continuing my conversations with all Minnesotans in the upcoming months.”
